**Learning Ally Presents
Summer Reading
Together**

May 1 — Aug 1, 2015

Students with learning and reading difficulties who read every day greatly improve their ability to maintain their progress gained during the school year. Learning Ally is inviting their student members to challenge themselves to maintain their progress and experience the joys of reading by participating in their Summer Reading Together initiative. Students opting in can:

- be entered to win prizes beginning May 1, 2015
- get daily affirmations on reading progress
- receive a certificate of achievement
- participate in monthly online author and expert chats
- return to school in the fall feeling confident and prepared

Check out the details and view recommended summer reading lists at www.LearningAlly.org/Summer. Parents, families, friends and teachers can help encourage summer reading by participating – let's read together!

Message from the Director

Summer is just around the corner, and we're all planning our schedules. Please be sure to return your summer tutoring preference form as soon as possible! Also, be sure to read the section in this issue of the Scoop about Learning Ally's Summer Reading Program. "Ear reading" is gaining momentum!

Congratulations to three of our students who have completed all twelve books of Wilson Reading System: Jeremiah, Nathan and Allison!

I'm looking forward to a great Summer Session!

Best wishes,
Lori
